#### THE UNITED STATES TEAM WINS THE ANNUAL MATCH WITH CANADA AMID GREAT EXCITEMENT.

Poronto, Ont., Aug. 8 (Specia').-The twentygeventh annual international cricket match between Canada and the United States was resumed here this morning in the presence of another large crowd. The game this year is producing considerable interest and excitement from the fact that the contesting teams are so evenly matched. The spectators, of course, favored the home team, and when the American first innings total was passed they gave vent freely to their feelings of appre-

Canadians gained an advantage of seventee runs, but this helped only to spur on the efforts of the Americans, who batted in grand style, and, although the bowling was good and the fielding brilliant, the total amounted to 219. J. H. Mason took the honors in this innings with a splendid fifty-one, but F. H. Bates and H. C. Thayer also batted in good style for their respective contributions of 38 and 32

When the Canadians went in for their secon innings needing 203 runs to win, the excitement beame intense, and every run was applauded. S. G. Climenson started the bowling, and he opened in sutional form, for before many overs had been sent down, he clean bowled Saunders, Chambers and Laing for a dozen runs among these three famous batsmen. P. C. Goldingham also yielded easily, but H. C. Hill kept Cooper company while otal was being advanced steadily.

However, the last comer was soon beautifully ed by J. H. Scattergood in a manner similar the way in which he lost his wicket in the innings. Canadian hopes then fell, but were ived somewhat when McMurty started in to with confidence and vigor. But when H. B. Giverin went to the wickets, the enthusiasm became great. He hit at everything, and the score was advanced at a rate which made a Canadian victory seem probable. The Americans fielded brilliantly and were ever on the alert. They could do nothing with McGiverin, however, and he continued to put in the runs in a wonderful manner, eliciting frequent cheers for his big hits. Forester, who was the last man in, endeavored to keep up his wicket while his captain made the runs but at length, amid the greatest excitement, he was bowled by Clark, and the United States was victorious by 33 runs. McGiverin was again not out with 25 to his credit, and his plucky effort was the subject of general congratulation.

Of the twenty-seven games which have now taken place between Canada and the United States, the linited States has won seventeen, Canada has won eight and two have been drawn.

The score follows: ame great. He hit at everything, and the score

The Brooklyn and Cincinnati teams played the opening game of a series together at Washington Park yesterday in the presence of a fairly large number of spectators. The home team id not play with the usual snap and enthusiasm, and the visitors won with something to spare. The home team now has a lead of only two games over the champions, and the followers of the Boston team are beginning to be confident.

The Cincinnati players batted the curves of Mo-James with some freedom in the first four innings and took a safe lead. The home players did not get near their rivals until the eighth inning, and then the rally came too late. After the damage had been done Modames was taken out and Kentedy had a chance for the first time in several verks. The veteran did splendid work. The work one by Corcoran and Dahlen was excellent, although the latter made two errors on difficult hances. Score:

NEW-YORK DEFEATS LOUISVILLE. Nos. 9 and 10 were in battle array at the Polo Grounds yesterday, and, as as was to be expected, the mercantile houses and other places of busihese in the city did not close shop in order to do honor to the occasion. As the sport loving people of this district are not fond of second class things the attendance was meagre. Even weak teams when they come together sometimes play an teresting contest in that class, and such was a meeting in Harism yesterday. Louisville tied a meeting in the sixth inning and in the tenth a becore in the sixth inning and in the tenth a become in the sixth inning and innin

DEMAND FOR CERTIFICATES.

MR. JORDAN INSTRUCTED TO GRANT ALL APPLICATIONS - ALLOTMENT SENT HERE QUICKLY EXHAUSTED.

Washington, Aug. 8 .- As was expected by the officials, the demand yesterday in New-York for gold certificates in exchange for gold coin, under Secretary Gage's order of last Saturday, was heavy. Twenty or more banks were early represented the United States Sub-Treasury with requests for exchange in large amounts, and Assistant Treas-urer Jordan, foreseeing his inability to meet, except in part, the business thus thrust upon him. declined to make any exchanges yesterday, and so notified to the Treasury officials, fearing, it is assumed that his supply of certificates would soon be exhausted. The Department, however, telegraphed to Mr. Jordan this morning to make the exchange whenever requested, and in any amounts. and if his stock of certificates should run short he would be supplied from the Bureau of Engraving and Printing

The request for the exchange in Baltimore, it is said, was not heavy, nor was it in Washington, where the total amount of certificates asked for was considerably less than E00,000. Reports from other Sub-Treasury cities have not yet been received.

The first instalment of gold certificates received at the Sub-Treasury aggregated \$2,160,000, in denominations of \$30, \$50, \$100, \$500 and \$1,000. These pertificates were distributed among twenty-four banks, and were all taken early in the day, the banks depositing in exchange for them either orders for gold in their own vaults or "yellow tickets," which had previously been given to the banks by the Sub-Treasury as receipts for gold held in the Sub-Treasury vaults for account of various financial institutions. It is expected that a further supply of the new certificates will soon be received

here.
At the Sub-Treasury a notice has been posted stating that H bills cannot be spared at present.
